Women's World Day of Prayer

Friday 2nd March - 14.00 at the United Reform Church, Westgate.

All God's Creation is Very Good!

The interdenominational movement of the Women's World Day of Prayer invites everyone to attend one of over 5,000 services being held on Friday 2nd March with the title 'All God's Creation is Very Good!' We will join an estimated 3 million people around the world that day in a service which has been written this year by the women of Suriname in South America. Starting in Samoa as the sun rises, and ending as the sun sets off the coast of American Samoa, the service will have been translated into more than 95 languages and 1000 dialects as we are reminded that we have responsibilities in caring for this wonderful world we live in. With its vast rainforest and wealth of resources, Suriname asks us to pray for conservation and the protection of wildlife, through an awareness of pollution, misuse and abuse, as well as for the situation in Suriname and concerns for the future.

This is not simply a day of prayer for women, but for everyone who cares about our world and those who live in it.

SENT: Serving God's Mission

God is a sending God. He sent his Son to a broken, lost, rebellious world, not to condemn it, but that it might be saved (John 3:17). And he has sent his people - all of us, wherever we are - into that same world to make disciples of all nations. But he has not just commissioned us. He has empowered us by his Spirit to be his messengers and agents.

In 2018, all three weeks have at their heart the theme of Sent: Serving God's Mission. We pray for God's refreshing and a renewed sense of his empowering, encouraging and equipping as we listen to His Word.
